

# B&Q WAREHOUSE, MEIR PARK, STOKE-ON-TRENT

Over 300 new jobs were created with the opening of this new 132,000 sq.ft (12,265 sq.m) retail warehouse and 30,000 sq.ft garden centre pre-let to B&Q on a 10 acre site acquired by Henry Boot Developments Limited in Stoke-on-Trent.

Great care was taken during the initial stages of this venture in working closely with the vendors, Staffordshire Tableware Limited, to ensure that the planning process ran smoothly and efficiently in as short a time as possible.

Construction of the scheme was completed ahead of programme by Henry Boot Management Limited in spite of design changes made to suit specific B&Q requirements, a feat acknowledged and much appreciated by them.

We have also purchased an additional 18 acres of land adjoining the B&Q site which enjoys a significant frontage onto the A50.

This successful project closely follows other significant deals with major DIY operators in Blackpool, Sunderland, Birkenhead, Skegness and Hailsham.
